

WE'RE LOOKING FOR
CONTINUOUS IMPROVEMENT SPECIALIST
(Work base: Compostela, Cebu)

Responsibilities:

- Review the pertinent processes and procedures of the HR Department including Fleet Section to make sure they adhere to the organization's most recent ISO Certification,
- Promote initiatives and develop continuous improvement plans to resolve identified nonconformance and process improvement techniques,
- Document relevant observations and coordinate them with the Continuous Improvement Officer for evaluation and execution of the necessary interventions

Qualifications:

- Candidate should have a Bachelor's degree in Industrial Engineering, Psychology, or other management-related courses
- With six months to one year of relevant experiences
- With excellent verbal and written English communication skills
- With certification in Food Safety System Certification 22000 and training in Internal Auditing
- Computer Literate and skilled in basic MS Office applications
- Flexible, result-oriented, and can work with less supervision
- Can effectively relate to people at all levels of the organization
