

WE'RE LOOKING FOR
Training & Development Specialist
(Work Base: Cebu City)

Responsibilities:

- Contribute to shaping and executing the **Talent Development Roadmap** and **Learning Management System** for the Sales and Marketing Division.
- Oversee daily activities and deliverables of the **Frontline Talent Development Section**, providing timely updates to the Immediate Head.
- Research and implement innovative learning methodologies and best practices to **enhance our training programs**, empowering team members with the latest insights.

Qualifications:

- Must have a Bachelor's degree in Psychology or Human Resource Management.
- At least one year of experience in Learning and Development is preferred.
- With strong communication and decision-making skills.
- With proven ability to lead and motivate a team effectively.
